LEGAL INFORMATION

Cookie and Analytics Notice

This notice explains the cookies, browser storage, third-party resources and analytics used by the Kindred app and website.

VERSION	EFFECTIVE DATE
1.3	October 17, 2026
SOLE PROPRIETOR	**STATUS**
Landon Syroid d/b/a Kindred Asterling AI Coaching	Published

1. Scope

This notice explains the cookies, browser storage and other technologies used by the Kindred app (kindred-asterling-ai-coaching.com) and website (kindred-asterling-ai.xyz), operated by Landon Syroid as Kindred Asterling AI Coaching ("Kindred", "we", "us", or "our") in Edmonton, Alberta, Canada.

We do not use advertising cookies, cross-site tracking or data brokers.

2. What We Use

A. Strictly Necessary

- Sign-in (Auth0): Auth0 sets cookies on its sign-in pages to keep you signed in and protect against forged requests. The app keeps your sign-in tokens in memory rather than in browser storage.
- Security and delivery (DigitalOcean and Cloudflare): our hosting and network providers may set security cookies, such as bot-protection cookies, and use request information to route traffic and

block attacks.

B. Preferences

- Browser local storage: remembers your colour theme (kindred-theme) and whether the sidebar is collapsed (kindred:sidebar-collapsed). This stays on your device.

C. Third-Party Resources

- Google Fonts: our pages load fonts from Google, which receives your IP address and browser details when a page loads.
- Checkout: payment pages are hosted by Helcim on its own site, under Helcim's own cookie and privacy policies.

D. Logs & Analytics

- Server logs: our servers and hosting providers keep technical logs to run and secure the Service. App logs do not record your IP address or the content of your entries.
- Website logs: Cloudflare keeps request logs for our website at kindred-asterling-ai.xyz.
- Error monitoring: if an error happens in your browser, the app sends an error report and performance timing to Sentry, as described in section 4 of our Privacy Policy. The monitoring code is part of the app itself, not a separate tracking script, and it does not set cookies.
- Product analytics: our servers send usage events to Amplitude, as described in section 4 of our Privacy Policy. No analytics cookies or tracking scripts are placed in your browser.
- We do not use Google Analytics, Meta (Facebook) Pixel, TikTok Pixel or other advertising trackers. Links to other sites are plain links with no tracking scripts.

3. Your Choices

- You can block or delete cookies and local storage in your browser settings.
- If you block the strictly necessary cookies, you will not be able to sign in.

4. Contact

- Privacy Officer (privacy questions, access and deletion requests): Landon Syroid, kindredaicoach@gmail.com
- Customer and account support, billing and refunds: kindred_support@kindred-asterling-ai-coaching.com
- Mailing address: 202 - 10249 119 ST NW, Edmonton, AB T5K 2Y6, Canada
