1. Messages We Send Today

Kindred currently sends only messages you need or ask for:

- Account messages: sign-in, verification and security emails, and payment receipts from Helcim.
- Reminders you set up: check-in, habit and medication reminders, by email or, if you turn it on, by text message. Reminder text such as "Time for your medication dose" may appear on your lock screen.

We do not currently send promotional emails or texts, and we do not sell or share your email address or phone number for marketing.

2. Stopping Reminders

- Turn reminders, email reminders or text-message reminders off at any time on the Reminders page in the app.
- Reply STOP to any Kindred text message to stop text messages.

- Account and security messages are part of the Service and continue while you have an account.

3. If We Send Promotional Messages

If we start sending promotional messages, we will follow Canada's Anti-Spam Legislation (CASL, SC 2010, c 23):

- We will only send them to people who choose to receive them, using an opt-in that is unchecked by default and separate from accepting our Terms.
- Every promotional message will identify Landon Syroid, operating as Kindred Asterling AI Coaching, with our mailing address and contact email.
- Every promotional message will include a free unsubscribe link that works for at least 60 days. We will act on unsubscribe requests within 10 business days.
- Unsubscribing from promotions will not stop account messages or reminders you set up.
