

Health Information Disclaimer

Kindred is an informational wellness and coaching tool. It is not a healthcare provider or emergency service.

VERSION 1.0	DATE August 24, 2026
SOLE PROPRIETOR Landon Syroid d/b/a Kindred Asterling AI Coaching	STATUS Published

1. Non-Medical and Non-Clinical Nature of the Service

Kindred Asterling AI Coaching ("Kindred", "we", "us", or "our"), operated by Landon Syroid in Edmonton, Alberta, Canada, is an automated informational wellness coaching and personal reflection platform.

KINDRED IS NOT A LICENSED HEALTHCARE PROVIDER, MEDICAL CLINIC, CRISIS INTERVENTION CENTER, OR PSYCHIATRIC FACILITY.

- No Medical or Therapeutic Advice: All content, AI dialogue, morning/evening reflection prompts, body scan logs and generated progress summaries are provided exclusively for personal informational and educational purposes.
- No Clinical Diagnosis or Treatment: Kindred does not diagnose, treat, prevent, mitigate, or cure any physical, mental, psychiatric, or psychological illness, condition, or disorder. The Service is not a substitute for clinical judgment, medical examinations, or psychotherapy provided by a licensed physician, psychiatrist, registered psychologist, or healthcare professional.

2. Medication & Habit Tracking Boundaries

Medication tracking, schedule reminders, and habit check-in features within Kindred function solely as a self-directed personal organizational log.

- **No Pharmaceutical Evaluation:** Kindred does not prescribe, modify, evaluate, or adjust medications, dosages, or schedules.
- **No Drug Interaction or Safety Checks:** Kindred does not evaluate contraindications, drug interactions, side effects, or clinical efficacy.
- **Mandatory Professional Consultation:** Any decision to initiate, alter, taper, or discontinue prescription medications, over-the-counter drugs, or dietary supplements must be made under the direct supervision of a licensed physician or pharmacist.

3. Emergency & Crisis Protocols

Kindred is an automated system and is not monitored for emergencies, acute mental health crises, or medical urgency.

If you need urgent help, contact emergency services in your location or go to the nearest emergency department. In Canada and the United States, call 911 for immediate danger; crisis support is also available by calling or texting 988. In other jurisdictions, contact the local emergency service or national crisis support line.

4. Limitation on Outcomes & User Responsibility

Kindred makes no guarantees, representations, or warranties regarding specific personal, psychological, educational, career, or physical outcomes resulting from using the platform.

Users maintain sole responsibility for verifying all information and applying independent judgment before acting on any coaching output.

5. Age Restriction (Adults 18+ Only)

The Service is strictly designed and offered to individuals who are at least eighteen (18) years of age. Kindred is not directed to or intended for use by minors.
